WORK EXPERIENCE

● Web Developer

FIVERR.COM   2019-2022

I have been in this field since, 2019 and worked on many small and large projects. I am using the latest technologies to build awesome websites by using Node Js, Express Js, MongoDB and by using React Js. I have strong hold in MERN Stack and can create large scale web applications.

● App Developer

FIVERR.COM   2021-2022

I have been in this field since, 2021 and worked on various small and large projects. I can create native Android and IOS Applications like, Uber and Tinder. I have strong hold in React Native and can create large scale applications.
